

School for Inspiring Talents

Term Planner - Spring 2023

Dragonfly Class

Spring Term 1:

General Theme - Friendships

Helping us to understand the importance of working together and listening to each other.

What makes a good friend?

- How to be a good friend
- Our friendship rules.

Why are friendships important?

Why do we celebrate Easter?

Learning about the most important festival in the Christian calendar.

Spring Term 2:

General Theme - Goals & Aspirations

Helping us to learn about why school is important and how it improves our learning and lifelong success.

- What is a target and why do we set them?
- Personal goals of our own & others.

How can we help each other?

Recognising personal skills & talents and their link to specific hobbies

We will continue to develop & embed our Reading skills through Fresh Start and daily interventions with Lesley.

Lesley is amazing at supporting us to consolidate, practice and apply all the sounds we already know to develop us into fluent & independent readers.

Maths:

We'll focus on the four operations (addition, subtraction, multiplication and division) to help us secure the problem solving and reasoning skills we developed when we explored place value.

We'll also investigate fractions and measurement.

And we'll continue to explore maths through our play-based learning and wider curriculum subjects, cookery, forest school and PE.

Outdoor Play & Exploring

Following our Nurture Curriculum & therapeutic approach to teaching and learning, we will continue to access external provision throughout the Spring Term.

We'll enjoy swimming, Equine Therapy, scootering, climbing and bouldering, and visits to the places that enable us to regulate and reflect on ourselves and our emotions.
