PE:
This Term we're focusing on ABCs (Agility, Balance & Coordination). These skills will be developed by playing a variety of adapted sports, while keeping fit and having fun together!

Forest School:
In our weekly sessions this term, we are developing positive peer to peer and peer to adult relationships through team games and challenges based on the game show Taskmaster. The students are encouraged to co-operate with each other and develop leadership skills as well as work positively within a team. Wherever possible, topic- based learning is extended with real life examples and the opportunity to extended their learning opportunities. We'll also continue to develop basic bushcraft skills such as fire-lighting & learning how to use tools safely.

For English, Maths & KS4 Options Subjects, please see separate sheets.
